Dear Sir,  
I left with you for record today a deed  
for real Estate, the consideration named in the  
deed being one dollar. I am advised by my attorney  
Mr. W.C. Cochran that no stamps are necessary on  
this deed. As a matter of fact the title to this property  
came thro' the will of an Uncle Beattie, & was a gift.  
If you find I am in error I will be  
responsible for the stamps.
