Mr. Thos. P. Bray, Sec.,  
Carolina Loan & Trust Co.,  
Greenville, S.C.

Dear Mr. Bray:

Your nice and very kind and considerate letter of the 26, inst came to hand yesterday. I note the contents with pleasure. You are so thoughtful and considerate. I am sure it will be a pleasure to do business with a Corporation who has such a thoughtful and competent man as you are for its Secretary. I thank you.

The Cash consideration is the \$1000.00 Mtg. that I assume. We exchanged some real estate and I assumed a mortgage of a thousand dollars, that is, I relieved him of the burden he was carrying on the several pieces of property, to the amount of \$1000,00. There was really no money passed at all.

We are about settled now, and it was no easy job. Don't move unless you have to. Yes the harvest is always ripe. As to good laborers, I thought they were plentiful- that is if you mean ministers. But of course there are not enough to do all that is needed. I thank you for your good wishes.

Yours very cordially and sincerely,

*J.S. Crowley*
