SUBJECT Blanket Deed
Shell (Va) to Shell (Del)
Greenville County, S.C.

We have now obtained a duplicate deed to replace the one sent to the office of R. M. C. for Greenville County on Nov 7th and of which they have no record. It has evidently been lost in the mails for as near as we can determine it went out of here correctly addressed.

Will you please take this to the RMC office and arrange for its recording. In that it is a Blanket Deed from a wholly owned subsidiary to its parent company it is not subject to Federal stamp tax nor to the S.C. Stamp Tax. Recording charges should be only 2.00 or so. If there is any question on this call us at once, as we would like to get this on record prior to December 1st.

Arrange to have it mailed directly to us when recording is completed
