RE: Recordation Deed J.A. Henry, Receiver,  
Poinsett Brick & Tile Co. to  
Reconstruction Finance Corporation

Dear Mrs. Farnsworth:

I have your statement dated June 8, 1954, wherein you bill me for additional charges in connection with recording the above-referenced deed. In connection therewith I transmit check in the amount of seventy-five cents to cover the difference involved over the recording fee and the previous transmittal.

With reference to the documentary stamps, I wish to state that the Reconstruction Finance Corporation, as an agency of the U. S. Government, is exempt from payment for documentary stamps. As to the South Carolina documentary stamps, I refer you to Title 15, Section 607, U.S. Code Annotated; as to the United States documentary stamps, I refer you to Title 26, Section 1809-A, of the U. S. Code in this connection.

Upon completion of the recordation of the above-referenced deed, it is requested that the same be forwarded to me.

Yours very truly,

  
EDGAR L. MORRIS
