

Deed Book 766, page 433

February 3rd, 1965

#21851

STATE OF SOUTH CAROLINA)
)
 COUNTY OF GREENVILLE) AFFIDAVIT

Personally appeared before me E. P. Riley, who first being duly sworn, says that he is attorney for Greenville County and as such handles legal matters in behalf of the County; that the Greenville County Legislative Delegation instructed him to handle a transaction for the purchase of a tract of land in the lower part of Greenville County to be used as a County dump. The Delegation had business reasons for asking Mr. R. L. Richardson to act as a straw purchaser in behalf of the County. This he did and then, at the Delegation's instructions, he prepared a deed from Mr. Richardson to the County, which whole transaction was done by Mr. Richardson as a favor to the County. Mr. Richardson realized no monetary consideration out of the whole transaction and if any documentary stamps have to be paid, they will have to be paid by check from the County Treasurer from funds of Greenville County.
