Re: Recording of Deed
Fewell to Furman, et al

Dear Sir:

Enclosed is a deed from Fewell to Furman and Kelly for recording. Also enclosed is my deed to cover the fee.

Total consideration for this interest did not exceed \$15.00 and assumption of taxes due (about \$15.00 more). No stamps should be required.

Several days ago we sent a similar deed from Hayes to Furman and Kelly. It apparently has not been returned. We presume it reached Greenville but one never knows, with mail service like it has been. Would you please check?

With best wishes,

H. W. C. Furman
