STATE OF SOUTH CAROLINA COUNTY OF GREENVILLE

PERSONALLY appeared before me, Milford D. Kelly, who, being duly sworn states that he has this day conveyed to Patrick H. and Gloria A. Seay a forty (40) acre tract of which approximately one-half (1/2) is in Greenville County and one-half (1/2) is in Laurens County. That he believes that the twenty (20) acres in Greenville County is worth Six Hundred and No/100 (\$600.00) Dollars per acre for a total of Twelve Thousand and No/100-----(\$12,000.00) Dollars, since it is the less valuable back side; he believes the twenty (20) acres and road frontage in Laurens County is worth One Thousand and No/100 (\$1,000.00) Dollars an acre for a total of Twenty Thousand and No/100 (\$20,000.00) Dollars.
