3. That in the event that the Railway Company shall, at any time hereafter and during the life of this agreement, require for its railroad purposes the whole or any part of its right of way enclosed by said fence and occupied by the Licensee hereunder, then and in such event the Licensee will, upon thirty (30) days' notice, in writing, so to do, served upon her by the Railway Company, remove said fence from the right of way of the Railway Company, vacate said right of way and restore the same to its condition existing prior to the occupation and use thereof by the Licensee; or in default thereof, the Railway Company may itself re-enter upon said right of way, remove said fence and restore the said condition of said right of way, but at the expense of the Licensee.

IN WITNESS WHEREOF, the Railway Company has caused these presents to be executed and its corporate seal to be hereunto affixed and attested by its officers thereunto duly authorized, and the said Licensee has hereunto subscribed her name and affixed her seal, the day and year first above written.
