 : Affidavit - J.B. Patterson.
 County of Henderson.)

Personally appeared before me J.B. Patterson who being duly sworn, says that he is a surveyor and resides in Henderson County, North Carolina; that on September 22, 1919, deponent made a survey of the lands of Alfred Ward and the lands conveyed by Alfred Ward to J.H. Ward and Cora Ward; that in making said survey, R.E. Ward, son of Alfred Ward, was with him and that the said R.E. Ward knew all the lines of said survey and pointed them out to deponent; that all of said lines were well established and in making said survey deponent saw no evidence of any adverse occupancy by any other persons; that as shown by the affidavit of R.E. Ward, which deponent has read, many of the adjacent property owners were present with their deeds and plats when the survey was made and that the lines run on said Patterson plat were established with the consent and acquiescence of the adjacent property owners; from said survey and from the knowledge of deponent and information received by him from adjacent property owners on said survey, deponent is satisfied that said survey and plat correctly represents the lands now owned by Alfred Ward and J.H. Ward and Cora Ward, and that no one has any adverse claim against them.
