

Commission to use the same, provided, however, that shall not apply to such parts wherein the top of the pipe is less than eighteen inches under ground.

It is further agreed and as a part of the consideration hereof that the Grantor herein his heirs and assigns may make taps or connections with said pipe line at his expense provided, however, that such connections or taps be made under the supervision of the engineers representing Greater Greenville Sewer District Commission or their successors.

This contract is made upon the provision that the present sewerage disposal plant located on land of the said M. D. Carl shall be at all times and not hereafter used.

It is further agreed and understood that in case of future damage to crops arising from any accident in said pipe line that Greater Greenville Sewer District Commission its successors and assigns shall pay reasonable damage therefor.

The payments and privileges above specified are hereby accepted in full settlement of all claims and damages for said easement.
