

This shall not apply to such part wherein the top of the pipe is less than eighteen (18) inches under ground.

It is further agreed and as a part of the consideration hereof that the grantor herein his heirs and assigns may make taps or connections with said pipe line at his expense, provided, however, that such connections or taps be done only under the supervision of the engineers representing Greater Greenville Sewer District Commission or their successors.

It is further agreed that the said Commission will reimburse the grantor any extra expense he shall be put to in erecting any building over said sewer line, which expense shall be due to the existence of said line, and makes necessary the extra expense in said building; the amount to be paid hereunder to be certified by the Engineers of said Commission.

It is further understood and agreed that in case of future damage to crops due from any accident in said pipe line that Greater Greenville Sewer District Commission shall pay reasonable damages therefor.

The payment and privileges above specified are hereby accepted in full settlement of all claims and damages for said easement.

In witness whereof the said H. L. Cassaway has hereunto set his hand and seal this 9 day of June 1927.
