

State of South Carolina
County of Greenville

I now all mine by these presents that I, George B. Thurston, in consideration of my love and regard for Christ Church of Greenville, S.C. of which I am a member, do give, grant and assign to Christ Church of Greenville S.C. and its successors, Fifty (50) shares of Myonaghans Mills (Common stock) of the par value of Five Thousand Dollars (\$5,000.00). This day delivered by me to said church, not to be pledged, or used as collateral security, but to be held by it upon the following trusts:

1. To collect the income thereon and pay the same as received to the grantor during the term of his natural life.
2. After the death of the grantor to use said income for foreign or Domestic Missions only of the said Church and for the spread of the Gospel of our Lord and Saviour, Jesus Christ, and of the Christian religion; such use to be determined by the majority of the Vestry of the church.
3. To sell said stocks and reinvest the proceeds therefrom in other stocks or securities, such reinvestments to be held upon the same trusts and conditions as are expressed in this conveyance.
4. Full power and authority is given the said Church in the investment of the proceeds of such sale or sale and full discretion is given said Vestry in the selection of such investments which may include industrial stocks if deemed best by said Vestry; and it is expressly directed that neither the church nor the vestry shall be liable for any loss which may occur by reason of the fluctuation or depreciation of securities in which such investments are made. Provided however that during my life no changes in investment shall be made by the church except with my consent given in writing before such change is made.

Witness my hand and seal of Greenville, South Carolina, this 6th day of July, 1928.
Geo. B. Thurston (Seal)
