Witnesseth: Lessor does hereby demise and lease unto Lessee all that lot, piece or parcel of land situate in the Town of Greenville County of Greenville, State of South Carolina, described as follows: That is to say, Lot known as number 245 N. Main Street, Beginning at a point on North Main Street, running West a distance of 95 feet, thence at right angles South 60 feet, thence at right angles East a distance of 95 feet to a point on Main Street, thence at right angles North 60 feet to point of beginning. Together with the buildings, improvements and equipment thereon or connected therewith, all of which are listed in the Schedule hereto attached, and marked Schedule "A".

To have the premises hereby demised unto Lessee for the term of one year beginning on the 20th day of April 1930, and ending on the 19th day of April 1931, Lessee paying therefor as rental each month an amount equivalent to one cent (1 cent) for each gallon of gasoline and other motor fuels sold during the month at said premises by the Lessee or its agents or assigns. Payments of said rental are to be made on or before the tenth day of the month following the month in which the rental is earned. Lessee shall keep such books and records as will accurately show the number of gallons of gasoline and other motor fuels sold at the demised premises and will permit the Lessor to examine and inspect such books and records at any time and from time to time when the Lessor desires so to do.

The above letting is on the following terms, conditions and covenants, to wit:

- 1. Lessee shall pay the specified rent at the times and in the manner provided.
2. The said premises may be used as a gasoline filling and automobile service station including the storage and sale of gasoline and other petroleum products, and all automobile supplies and accessories.
3. Lessor agrees to pay all taxes, assessments, water bills, and all other taxes or charges that may be levied against said premises and Lessor also agrees to pay all bills or charges for light, power and heat incurred in the use of said premises. If at any time during the term hereof Lessor is not employed by Lessee to operate said premises, then Lessee agrees to pay all bills and charges for light, power, heat and water incurred by Lessee or its employees, or sublessees at said premises. Should Lessor fail to pay any such taxes, bills and charges, when due and payable, Lessee shall have the right to pay the same, and to charge the same to Lessor, and Lessee may withhold from any rentals payable hereunder as they accrue such amounts as may be necessary to fully reimburse Lessee.

4. If and in the event the duly authorized authorities of the town, county or other sub-division of the State, now in existence or hereafter created, in which said premises are located, shall refuse to grant, or having granted, shall rescind any permit necessary for Lessee to store and sell at said premises gasoline and other petroleum products, or to use the premises for the sale of such products, or shall pass a law or issue an order which shall in the judgment of Lessee necessitate the removal of the tanks or other appliances owned, placed or used on the premises by Lessee in the conduct of its business, or imposing such restrictions upon the conduct of its business as shall in its judgment necessitate the discontinuance of its business on the premises, then and in either of such events, this lease shall at the option of Lessee become null and void and all obligations to pay the rental hereunder shall cease and determine.

5. Lessee is hereby given the right to move, remove, change or alter any building, structure, tanks, curbing, pavement or driveways now on said premises and to construct, build and place upon said premises such buildings, structures, equipment and machinery as shall in its opinion be necessary to use and operate said premises. Lessee is hereby given the further right to paint said buildings, structures, tanks and equipment in any colors it shall select and to paint thereon such of its trademarks and other signs, devices and advertisements as it shall elect.

6. Lessee shall have the right to remove from said premises all buildings, structures, pumps, tanks, machinery and equipment placed thereon by Lessee.

Should Lessor fail or refuse to immediately commence and proceed expeditiously to repair or reconstruct the premises, Lessee has the right at its option to repair or reconstruct the same, and in that event Lessee shall have a lien upon said premises for the amount expended therefor, and is hereby authorized to withhold all rents as they accrue until it shall be reimbursed for said expenditure, or Lessee shall have the right and option to cancel this lease without further liability.

8. Lessee during the term of this lease or any renewal or extension thereof shall have the right and privilege to sublet or assign all or any part of its right under and to said premises but any such subletting or assignment shall not relieve Lessee from its obligation to pay the rent herein reserved unless Lessor shall consent in writing to such subletting or assignment.

10. Lessee has and is hereby given the right to cancel this lease at any time on giving Lessor thirty (30) days' notice of Lessee's intention so to do.
