7. In case the premises are rendered unfit for occupancy by fire, storm, explosion or any other cause, no rental shall accrue or is to be paid from the beginning of such unfitness for occupancy until the property is put in tenable condition, and Lessee is able to and does occupy said premises for the purposes herein described. 8. Lessee during the term of this lease or any renewal or extension thereof shall have the right and privilege to sublet or assign all or any part of its right under and to said premises but any such subletting or assignment shall not relieve Lessee from its obligation to pay the rent herein reserved unless Lessor shall consent in writing to such subletting or assignment.

9. Lessee shall have the privilege and option of renewing this agreement for an additional period of five (5) years, beginning with the date of the expiration hereof upon the same terms and conditions as hereinabove set forth and such privilege of renewal and extension shall be considered as having been exercised unless Lessee gives Lessor notice in writing at least thirty (30) days prior to the expiration hereof of its intention not to exercise such renewal privilege. Provided Mr. G. A. Stewart continues from Year to Year as Tenant.

10. Lessee has and is hereby given the right to cancel this lease at any time on giving Lessor thirty (30) days' notice of Lessee's intention so to do. On the date such cancellation becomes effective, excepting only when the cancellation is made in accordance with the provisions of Article 4 hereof, Lessee shall pay to Lessor as consideration for said cancellation an amount which shall be determined by multiplying the largest rental theretofore paid in any one month under this lease by the number of full years remaining before the expiration of this lease.
