5. Lessee is hereby given the right to move, remove, change or alter any building, structure, tanks, curbing, pavement or driveways now on said premises and to construct, build, and place upon said premises such buildings, structures, equipment and machinery as shall in its opinion be necessary to use and operate said premises. 8. Lessee during the term of this lease or any renewal or extension thereof shall have the right and privilege to sublet or assign all or any part of its right under and to said premises but any such subletting or assignment shall not relieve Lessee from its obligation to pay the rent herein reserved unless Lessor shall consent in writing to such subletting or assignment.
