

is intended to be underground, and it is understood and agreed that all of the pipe line shall be underground.

It is further agreed that as a part of the consideration hereof, that the grantor, its successors or assigns, from at or below their own expense, or at the expense of the sub-district, make connection with said pipe line, provided, however, that such connections shall be made only under the supervision and rules of the engineer representing the Greenville State District Commission, or their successors, and subject to the rules now or hereafter to be made by said Commission.

It is further understood and agreed that the grantor, its successors and assigns, will indemnify and save harmless the grantor, its successors or assigns, from any loss or liability account of the grantor, out of the construction, operation, maintenance or repair of the said pipe line.

In witness whereof, the said Woodside Cotton Mills Company, has caused this instrument to be signed by its duly authorized officers and sealed with its corporate seal this 11<sup>th</sup> day of March, A. D. 1935.

Signed, sealed and delivered in the presence of:
