

## Exchange Plant Permit.

Received of the Southern Bell Telephone and Telegraph Company, One Dollar, in consideration of which we hereby grant unto said Company, its associated and allied companies, their respective successors and assigns, the right, privilege and authority to construct, operate and maintain its lines of telephone and telegraph, and for the general transmission of intelligence, including the necessary underground and aerial cable, conduit, poles, wires and fixtures with the further right to permit the attachment of the wires of any other companies, or person, to said poles and fixtures upon and over or under the property which we own near the City of Greenville, County of Greenville and State of South Carolina; said sum is received in full payment of said rights.

The above mentioned property being that Sub-Division known as "Sunset Hills," as per plat of W. J. Riddle, Surveyor, May 1937.

The following is a description of the location in which the said lines shall be constructed and maintained:

## Lots fronting on Sunset Drive

Line to be constructed along the rear property line of lots numbers 11 to 15 inclusive, thence along the Northeast property line of lot number 15.

## Lots fronting on Meyers Drive

Line to be constructed along the rear property line of lots numbers 16 to 33 inclusive, thence along the Southeast property line of lots numbers 24 and 25.

## Lots fronting on Tremont Drive

Line to be constructed along the rear property line of lots numbers 34 to 50 inclusive, thence along the Southeast property line of lots numbers 41 and 42.

## Lots fronting on Seminole Drive

Line to be constructed along the rear property line of lots numbers 51 to 58 inclusive, thence along the Southeast property line of lot number 58.

## Lots fronting on Manor Street

Line to be constructed along the rear property line of lots numbers 1 to 10 inclusive, thence along the West property line of lots numbers 4 and 5.

While the line is supposed to run along the property lines of the aforesaid lots, the right is granted for the line to be constructed on any Drive, Street or Avenue in order to connect the line running from one block to another.

In addition to the rights conveyed above, the Telephone Company is authorized the right to trim and cut trees so as to clear and keep cleared said Company's plant; said sum is also received in full payment of said rights.
