and having the following metes and bounds:

Beginning at an iron pin in the center of the Few's Bridge Road and runs thence N. 35.00 W. 1703 feet to an iron pin and lighwood knot; thence S. 52.08 W. 314.5 feet to a stone; thence N. 32.58 W. 287.5 feet to a stake; W.O. gone O.M.; thence S. 59 W. 258½ feet (261 Grady Smith) ft. to a stone; thence from the stone S. 28 W. 258 feet to White Oak; thence S. 66. W. 1122 feet to Sweet Gum on branch 3X; thence S. 24.45 E. 187 feet Sourwood tree 3X; thence S. 13.30 W. 116 feet to double Poplar tree on branch 3X; thence S. 41.00 E. 230 feet to point in center of said Few's Bridge Road, corner of tracts Nos. 2 and 3 of said plat (Plat made by H. S. Brockman, Surveyor, for Minnie A. Reese, now deceased, Executrix of the Estate of I. E. Reese, deceased, of the old Few place which was the property of the said I. E. Reece); thence along the center of the said Few Bridge Road N. 55 E. 225 feet to bend in said road; thence along said road N. 66 E. 100 feet to another bed in said road; thence along said road N. 83.45 E. 108 feet to point in said road on the line of the old Few Cemetery; then eliminating the Old Few Cemetery plot and running on along said Few Bridge Road N. 84.15 E. 95 feet to slight bend in said road; thence along said road N. 72 E. 100 feet to point in middle of said road, this being the corner of tract Nos. 1 and 2; thence along said road N. 51 E. 100 feet to another slight bend; thence N. 48 E. 500 feet to another bend in road; thence N. 57 E. 100 feet to another bend in said road; thence N. 68 E. 300 feet to another bend in said road; thence N. 74.45 E. 100 feet to an iron pin in the center of said road, this being the beginning corner and containing 78.96 acres, more or less, and being all of the same tracts of land conveyed to me by D. W. and E. E. Reece by deed dated the \_\_\_ day of January, 1932, less three acres deeded to J. Walter Rollins by Annie E. Sloan in 1934, said three acres deeded to Rollins being located on said Few's Bridge Road at the beginning corner of this tract of land and having 1 acre frontage on said road and being 3 acres deep.

The metes and bounds in this deed do not run in the same order as in the said deed to B.F. Reese because in said deed there was a dividing line described between two tracts of land lying together. Said dividing line being elimianted herein and because of the slight change in the land between this tract of land and an adjoining tract owned by R. G. Smith. Said change having been agreed upon between Smith and B. F. Reese after his Surveyor, Joe Atkins, establishing the exact line for Smith.

This said tract of land herein conveyed to C. E. Sloan being bounded on the North by lands of R. G. Smith on the East by lands of A. B. Cannon et al; on South by lands of George W. Few and on the West by lands of J. W. Black et al.

This deed being the same tract of land conveyed to me by C. E. Sloan by deed dated the 200 day of 1937 and recorded in office of for R. M. C. for Greenville Co.

Instead of this tract of land containing 78.96 acres, more or less as above specified, this tract of land contains all of the 78.96 acres, more or less, except approximately 4½ acres conveyed to J. W. Rollins by deed.
