W. Herman Wilson	and Kate B. Wilson, all that piece parcel or lot of land in Glassy Mountair
Townshin, Greenv	ille County, State of South Carolina, described more fully as follows:-
	65 of plat number one(1) of the Tryon Development Company known as Lake Lan
	ershaw, and duly recorded in the Office of the Register of Mesne Conveyance
Greenville County	У.}
BEGINNING_6	at a point in the centre of Lake Shore Drive, said point being located north
exactly 17.2 feet	t from the beginning of a circular curve with radius of 48.5 feet, and runni
exactly 17.2 feet	t from the beginning of a circular curve with radius of 48.5 feet, and runni
exactly 17.2 feet thence along said point being locat thence along a lite to a point of int to said radial li	t from the beginning of a circular curve with radius of 48.5 feet, and runnided centre line a distance of 184 feet southward to a point in said road, said ted exactly 32.3 feet eastward from the beginning of a curve of radius 93.1 in drawn radial to second mentioned curve, a distance of 65 feet, more or 1 tersection with a line drawn perpendicular from the beginning of this describe; thence along the said perpendicular line a distance of 154 feet westwar
exactly 17.2 feet thence along said point being locat thence along a lite to a point of int to said radial lite point of begin of Lake Shore Dri	t from the beginning of a circular curve with radius of 48.5 feet, and runnic centre line a distance of 184 feet southward to a point in said road, said ted exactly 32.3 feet eastward from the beginning of a curve of radius 93.1 ine drawn radial to second mentioned curve, a distance of 65 feet, more or 1 tersection with a line drawn perpendicular from the beginning of this descritine; thence along the said perpendicular line a distance of 154 feet westward inning, excepting here from that strip 15 feet wide, included in the right-of-type.
exactly 17.2 feet thence along said point being locat thence along a li to a point of ini to said radial li the point of begi of Lake Shore Dri It is under	t from the beginning of a circular curve with radius of 48.5 feet, and runnic centre line a distance of 184 feet southward to a point in said road, said ted exactly 32.3 feet eastward from the beginning of a curve of radius 93.1 ine drawn radial to second mentioned curve, a distance of 65 feet, more or 1 tersection with a line drawn perpendicular from the beginning of this describe; thence along the said perpendicular line a distance of 154 feet westward lining, excepting here from that strip 15 feet wide, included in the right-or content of the said perpendicular line and content of the said perpendicular line and content of 154 feet westward lining, excepting here from that strip 15 feet wide, included in the right-or content of the said perpendicular line and content of 154 feet westward lining, excepting here from that strip 15 feet wide, included in the right-or content of the said perpendicular line and content of 154 feet westward lining.
exactly 17.2 feet thence along said point being locat thence along a li to a point of int to said radial li the point of begi of Lake Shore Dri It is under of 25 feet, or fr	t from the beginning of a circular curve with radius of 48.5 feet, and runnic centre line a distance of 184 feet southward to a point in said road, said ted exactly 32.3 feet eastward from the beginning of a curve of radius 93.1 ine drawn radial to second mentioned curve, a distance of 65 feet, more or 1 tersection with a line drawn perpendicular from the beginning of this describe; thence along the said perpendicular line a distance of 154 feet westward inning, excepting here from that strip 15 feet wide, included in the right-order. Estood that all distances described as curved lines are to be measured in charactional parts. The all rights and facilities as conveyed to and enjoyed by parties of the facilities as conveyed to and enjoyed by parties of the facilities as conveyed to and enjoyed by parties of the facilities as conveyed to and enjoyed by parties of the facilities as conveyed to and enjoyed by parties of the facilities as conveyed to and enjoyed by parties of the facilities as conveyed to and enjoyed by parties of the facilities as conveyed to and enjoyed by parties of the facilities as conveyed to and enjoyed by parties of the facilities as conveyed to and enjoyed by parties of the facilities as conveyed to and enjoyed by parties of the facilities as conveyed to and enjoyed by parties of the facilities as conveyed to and enjoyed by parties of the facilities as conveyed to and enjoyed by parties of the facilities as conveyed to and enjoyed by parties of the facilities as conveyed to an enjoyed by parties of the facilities as conveyed to an enjoyed by parties of the facilities as conveyed to an enjoyed by parties of the facilities as conveyed to an enjoyed by parties of the facilities as conveyed to an enjoyed by parties of the facilities as conveyed to an enjoyed by parties of the facilities as conveyed to an enjoyed by parties of the facilities as conveyed to an enjoyed by parties of the facilities as conveyed to an enjoyed by parties of the facilities as conveyed to an enjoyed by the facilities
exactly 17.2 feet thence along said point being locat thence along a li to a point of int to said radial li the point of begi of Lake Shore Dri It is under of 25 feet, or fr Together wi part, as granted	t from the beginning of a circular curve with radius of 48.5 feet, and runnic centre line a distance of 184 feet southward to a point in said road, said ted exactly 32.3 feet eastward from the beginning of a curve of radius 93.1 ine drawn radial to second mentioned curve, a distance of 65 feet, more or 1 tersection with a line drawn perpendicular from the beginning of this describe; thence along the said perpendicular line a distance of 154 feet westward in the categories, excepting here from that strip 15 feet wide, included in the right-oute. Estood that all distances described as curved lines are to be measured in charactional parts. The all rights and facilities as conveyed to and enjoyed by parties of the finthe original conveyance from Tryon Development Company and subject to the
exactly 17.2 feet thence along said point being locat thence along a li to a point of int to said radial li the point of begi of Lake Shore Dri It is under of 25 feet, or fr	t from the beginning of a circular curve with radius of 48.5 feet, and runnic centre line a distance of 184 feet southward to a point in said road, said ted exactly 32.3 feet eastward from the beginning of a curve of radius 93.1 ine drawn radial to second mentioned curve, a distance of 65 feet, more or 1 tersection with a line drawn perpendicular from the beginning of this describe; thence along the said perpendicular line a distance of 154 feet westward in the categories, excepting here from that strip 15 feet wide, included in the right-oute. Estood that all distances described as curved lines are to be measured in charactional parts. The all rights and facilities as conveyed to and enjoyed by parties of the finthe original conveyance from Tryon Development Company and subject to the
exactly 17.2 feet thence along said point being locat thence along a li to a point of int to said radial li the point of begi of Lake Shore Dri It is under of 25 feet, or fr Together wi part, as granted	t from the beginning of a circular curve with radius of 48.5 feet, and runnic centre line a distance of 184 feet southward to a point in said road, said ted exactly 32.3 feet eastward from the beginning of a curve of radius 93.1 ine drawn radial to second mentioned curve, a distance of 65 feet, more or 1 tersection with a line drawn perpendicular from the beginning of this describe; thence along the said perpendicular line a distance of 154 feet westward in the categories, excepting here from that strip 15 feet wide, included in the right-oute. Estood that all distances described as curved lines are to be measured in charactional parts. The all rights and facilities as conveyed to and enjoyed by parties of the finthe original conveyance from Tryon Development Company and subject to the
exactly 17.2 feet thence along said point being locat thence along a li to a point of int to said radial li the point of begi of Lake Shore Dri It is under of 25 feet, or fr Together wi part, as granted	t from the beginning of a circular curve with radius of 48.5 feet, and runnic centre line a distance of 184 feet southward to a point in said road, said ted exactly 32.3 feet eastward from the beginning of a curve of radius 93.1 ine drawn radial to second mentioned curve, a distance of 65 feet, more or 1 tersection with a line drawn perpendicular from the beginning of this describe; thence along the said perpendicular line a distance of 154 feet westward in the categories, excepting here from that strip 15 feet wide, included in the right-oute. Estood that all distances described as curved lines are to be measured in charactional parts. The all rights and facilities as conveyed to and enjoyed by parties of the finthe original conveyance from Tryon Development Company and subject to the
exactly 17.2 feet thence along said point being locat thence along a li to a point of int to said radial li the point of begi of Lake Shore Dri It is under of 25 feet, or fr Together wi part, as granted	t from the beginning of a circular curve with radius of 48.5 feet, and runnic centre line a distance of 184 feet southward to a point in said road, said ted exactly 32.3 feet eastward from the beginning of a curve of radius 93.1 ine drawn radial to second mentioned curve, a distance of 65 feet, more or 1 tersection with a line drawn perpendicular from the beginning of this describe; thence along the said perpendicular line a distance of 154 feet westward in the categories, excepting here from that strip 15 feet wide, included in the right-oute. Estood that all distances described as curved lines are to be measured in charactional parts. The all rights and facilities as conveyed to and enjoyed by parties of the finthe original conveyance from Tryon Development Company and subject to the
exactly 17.2 feet thence along said point being locat thence along a li to a point of int to said radial li the point of begi of Lake Shore Dri It is under of 25 feet, or fr Together wi part, as granted	t from the beginning of a circular curve with radius of 48.5 feet, and runnic centre line a distance of 184 feet southward to a point in said road, said ted exactly 32.3 feet eastward from the beginning of a curve of radius 93.1 ine drawn radial to second mentioned curve, a distance of 65 feet, more or 1 tersection with a line drawn perpendicular from the beginning of this describe; thence along the said perpendicular line a distance of 154 feet westward in the categories, excepting here from that strip 15 feet wide, included in the right-oute. Estood that all distances described as curved lines are to be measured in charactional parts. The all rights and facilities as conveyed to and enjoyed by parties of the finthe original conveyance from Tryon Development Company and subject to the
