

Stephens recorded in Book 205, Page 19, there was a requirement that a two inch water line be laid across this lot for my future use and/or my heirs and assigns. A part of the consideration of this sale is that this requirement in the above deed has been met and the understanding is that I am to have permanent use of this water line for myself and/or my heirs and assigns, and in addition to the above there is a line being laid across the lot hereby purchased to continue the above water line to the western boundary of the lot hereby purchased to which I am to have the same privileges as described in the above water line.
