Office of Commission of Public Works
for the City of Greenville, S. C., refer-
ence to which is hereby made for a more
complete description.

It is agreed that after original constru-
ction of the facilities shown on the above
mentioned plat, all future damages to lands
or crops, due to an accident on the pipe
lines shall be paid for by the City of
Greenville. The consideration herein stated
shall be in full for all damages suffered by
the Grantor during construction of the facili-
ties shown on the plat hereinabove referred
to, and none other.

The Grantee agrees to cut and stack in
cordwood lengths along its right of way all
timber which it finds necessary to remove,
which timber shall be the property of the
Grantor.

The Grantee agrees at its expense to re-
locate and grade out for the benefit of the
grantor so much of the present wood road
into this property as may become necessary
by reason of this conveyance. The Grantor
agrees that the Grantee may use roads leading
to or in the direction of the right of way
during construction of the pipe lines, the
Grantee to repair any damage done to said
road or roads.
