

STATE OF SOUTH CAROLINA

COUNTY OF GREENVILLE

The undersigned accepts the obligations interposed upon it under the terms of the within written instrument and agrees that the height of the one-story building to be constructed by the undersigned across the portion of the alley described herein, shall conform to the present roof level of the first story of the building of the National Realty Company abutting upon said alley. However, it is understood that we shall be permitted to construct a parapet above said roof level referred to, said parapet not to exceed six inches in height.

This the 24 day of March, 1953.
