

in said restrictions calling for a reversion of title in the event of a violation of said restriction and

WHEREAS, it was not intended by the said William S. Moore in imposing said restrictions that title should revert to him in case of a violation, but it was intended that said restrictions would be enforced by a suit in equity or by injunction in the event of a violation or an attempt to violate the same,

NOW THEREFORE, in consideration of the sum of \$1.00 to me in hand paid by the said E. C. Copeland, the receipt of which is hereby acknowledged, I, William S. Moore, do hereby declare it was not my intention to create a condition subsequent in the deed above referred to, made by me to W. Brady Beck and Daniel Carl Boozer, the violation of which would result in a forfeiture and reversion of title to me, but my intention, on the contrary, was to create building restrictions which might be enforced by the owners of lots in said subdivision by suit in equity or injunctive relief, and I hereby release unto the said E. C. Copeland, his heirs and assigns, any right of reverter I may have by reason of said restrictions and conditions hereinabove referred to.
