

said strip of land by the Power Company for the purposes hereinabove mentioned.

By the acceptance of the right of way hereby granted, Duke Power Company agrees to remove that portion of its existing transmission line on the property of the grantor which is shown by green line on the attached print and is indicated thereon as "Existing Line to be Removed", and will abandon its right of way for same.

IN WITNESS WHEREOF, the said grantor has caused this instrument to be executed by its duly authorized officials of the day and year first above written.
