

That for and in consideration of these covenants,
 IT IS FURTHER AGREED that the owners of the individual
 portions or individual lots shall pave to an adequate depth
 with asphalt or concrete that portion of their lots reserved
 for parking within six (6) months after completion of a
 building on said lot and,

IT IS FURTHER AGREED that upon a vote of the
 majority of the then owners of the land a convenient parking
 scheme will be adopted in accordance with these covenants.

WITNESS our hands and seals this 16th day of
 April , 1958.
