

being over and upon or adjoining the lands of the Grantors described above, as the case may be, for the purpose of ingress to and egress from the land of the Grantee described above by automobile or foot or in any other manner. This easement, existing in the road leading from Blythe Road or Cool Water Lake Road, or by whatsoever name said latter road may be called, to the land of the Grantee described above, is and shall be of a width no less than the width of said road at the date of this instrument.

2. The easement granted herein is and shall be considered for all purposes as appurtenant to the land of the Grantee and not as an easement in gross. The Grantors acknowledge that this easement shall run with the land and shall attach to and pass with the land of the Grantee as an appurtenance thereof. They further acknowledge that said easement has one terminus in the land of the Grantee and is essentially necessary to the enjoyment thereof, inhering in the land and concerning the premises.

3. The Grantors do further acknowledge that said road upon which this easement is granted is and has been open for purposes of ingress to and egress from the land of the Grantee, and they agree that said road shall be maintained for such purposes in a reasonable state of repair.

IN WITNESS WHEREOF, this instrument has been executed on the date first above written.
