This deed is made pursuant to the Order of Court and is for the purpose of obtaining partition in kind, of the real property described in the complaint, among the petitioners, other than the petitioner, Hattie Brown. The Master is executing seven deeds simultaneously, in order to accomplish the above purpose. The only money consideration involved is the sum of \$500.00 paid to the minor respondent, Willie James Martin, for his interest in said real property. Since the money consideration in each deed is less than \$100.00, it will not be necessary to place any revenue stamps on this deed.

The minor's interest was paid direct to him and his father and natural guardian, as directed by the Court, and the receipt therefor is in the record as a part of the Judgment Roll in the above entitled action.
