Re: Security Standard Credit Corporation
Greenville, S. C.

Dear Mrs. Farnsworth:

This fall we certified to you for cancellation the charter of Security Standard Credit Corporation because of its failure to pay the capital stock tax.

Under date of April 21, 1961, we are in receipt of a letter from Mr. J. W. Lawson, Auditor, South Carolina Tax Commission, License Tax Division, advising us that they were in error when they certified to us that this corporation was delinquent. As a matter of fact, they certify to us now that the corporation was not delinquent and its charter should not have been cancelled.

This is your authority for correcting your records to show that the corporation's charter was cancelled through error and it is now in good standing.

Yours very truly,

O. Frank Thornton
