

and shall carefully fit its own work to that provided under other contracts as directed by the Contracting Officer. The owner shall not commit nor permit any act which may interfere with performance of any such work by the Government and/or any Government contractor.

ARTICLE 4 - INTERFERENCE:

The owner agrees that, so long as the Project is operated or maintained for the purpose as described herein, the facilities as relocated, rearranged or altered pursuant to this contract shall not be so further altered or modified nor other facilities constructed by the owner, so as to interfere with the operation of the Project.

ARTICLE 5 - INSPECTION AND ACCEPTANCE:

The Government shall have the right to inspect the work to be performed hereunder at any time during its progress and to make final inspection upon completion thereof. Failure of the Government to object within 20 days after final inspection shall indicate satisfactory performance of the contract by the owner.

ARTICLE 6 - RELEASE:

The owner agrees, on completion of the alteration or relocation work provided for herein, to accept said substitute facilities and/or payment of the consideration provided for herein as full and just compensation for any and all damages that have been caused to the facilities altered or relocated hereunder and does hereby release the Government from any and all causes of action, suits-at-law or equity or claims or demands, and from any liability of any nature whatsoever for and on account of any damages to said rights of way and facilities relocated or altered hereunder.

ARTICLE 7 - COMPLETION:

The owner will commence the work hereunder within 10 days from the date of receipt of Notice to Proceed and complete the work on or before 31 December 1961.
