

the limits of same, pipe lines, manholes, and any other adjuncts deemed by the grantee to be necessary for the purpose of conveying sanitary sewage and industrial wastes, and to make such relocations, changes, renewals, substitutions, replacements and additions of or to the same from time to time as said grantee may deem desirable; the right at all times to cut away and keep clear of said pipe lines any and all vegetations that might, in the opinion of the grantee, endanger or injure the pipe lines or their appurtenances, or interfere with their proper operation or maintenance; the right of ingress to and egress from said strip of land across the land referred to above for the purpose of exercising the rights herein granted; provided that the failure of the grantee to exercise any of the rights herein granted shall not be construed as a waiver or abandonment of the right thereafter at any time and from time to time to exercise any or all of same. No building shall be erected over said sewer pipe line nor so close thereto as to impose any load thereon.

3. It is agreed: That the grantor(s) may plant crops, maintain fences and use this strip of land, provided: that crops planted over any sewer pipes shall not, in the opinion of the grantee, interfere or conflict with the use of said strip of land by the grantee for the purposes herein mentioned and that no use shall be made of the said strip of land that would, in the opinion of the grantee, injure, endanger, or render inaccessible the sewer pipe line or their appurtenances.

4. It is further agreed: That in the event a building or other structure should be erected contiguous to said sewer pipe line, no claim for damages shall be made by the grantor, his heirs or assigns, on account of any damage that might occur to such structure, building or contents thereof due to the operation or maintenance, or negligences of operation or maintenance of said pipe lines or their appurtenances, or any accident or mishap that might occur therein or thereto.

5. All other or special terms and conditions of this right of way are as follows: This line is designed and engineered to serve the Long Branch Basin. It will ^{serve} only the school district of Greenville County
