together with the right of unimpaired access to said pipeline and the right of ingress and egress on, over, and through the above-described land for any and all purposes necessary and incident to the exercise by said Grantee of the rights granted hereunder.

The said Grantors shall have the right to use and enjoy the above-described land except as the same may be necessary for the purposes herein granted to the said Grantee. Grantors agree not to build, create, or construct any obstructions, engineering works, or other structures over said pipe line nor permit the same to be done by others.

Any pipe line constructed by Grantee across any portion of the above-described land which is under cultivation shall, at the time of the construction thereof, be buried to such depth as will not interfere with Grantors' use of said land for normal cultivation required for the planting and tending of crops; except that Grantee, at its option, may construct its pipe line above the channel of any natural or man-made stream, ravine, ditch, or other water course.

It is agreed that any payment hereunder may be made direct to said Grantors, or any one of them, or by depositing such payment to

the credit of said Grantors, or any one of them, in the PELZER WILLIAMSTON Bank of WILLIAMSTON and payment so made shall be deemed and considered as payment to each of said Grantors.

The rights herein granted may be assigned in whole or in part.

The terms, conditions, and provisions of this right of way easement shall extend to and be binding upon the heirs, executors, administrators, personal representatives, successors, and assigns of the parties hereto.
