

acknowledged, we do hereby release and forever discharge the said City of Greenville, its successors and assigns, from any and all claim or claims past, present or future which we may now or hereafter have on account of sewerage being forced into our home located at 22 Overbrook Road in the City of Greenville, South Carolina.

It is understood and agreed that this is a full, final and complete settlement by way of compromise and by the payment of the above amount, the City of Greenville does not admit any liability whatsoever but specifically denies liability and contends that because of the elevation of the above described property in relation to the sewer main in Overbrook Road is the reason that said parties have at one or more times been subjected to sewerage being forced into their home.

This settlement is being made with the consent of our attorney, Sol E. Abrams, Esquire, and it is understood and agreed that this instrument is to be placed on record in the R.M.C. Office for Greenville County, South Carolina, and that same shall constitute a release for any future damages.

IN WITNESS WHEREOF, we have hereunto set our hands seals this 6th day of December, 1963, and by these presents do hereby bind ourselves, our respective heirs and assigns.
