to us _____ in hand paid at and before the sealing of these presents by

(the receipt whereof is hereby acknowledged), have granted, bargained, sold and released, and by these presents do grant, bargain, sell and release unto the said Lake Lanier Investment & Development Corp., all that lot or parcel of land deeded to us in error and recorded in Book 704 at page 521. The corrected description was attempted, and recorded in book 709 at page 43, and later it developed that this too was pointed out in error, and has now been corrected by deed from Lake Lanier Investment and Development Corp., and in consideration of this we are assigning all of our interest and rights in previous deeds to us, these deeds having been made to us by the former owner, Julian Calhoun. In consideration of the fact that in making the original plats there was a confusion in numbers resulting in two errors, and to avoid further confusion it is the intent of this deed to convey all of any right, title or/and interest in previously recorded deeds to Lake Lanier Investment and Development Corporation.
