

of Greenville, Greenville County, S. C., by Webb Surveying and Mapping Company, dated December 1965", reference to which is incorporated herein and made a part hereof.

2. In consideration of the agreements contained herein, the Party of the First Part agrees to construct and install the said six (6") inch and two (2") inch water lines with appurtenances, along and under the said utility rights of ways and private roadways as shown on said drawing and running along and off Edwards Road and into and through the property of the Party of the First Part, and to hereafter maintain the said lines and to be responsible for the repair and the condition of the said lines and all appurtenances thereto.

3. It is understood and agreed by the Party of the First Part that the installation of the said lines will be done by the Party of the First Part, subject to the approval and under the specifications of the Parties of the Second Part, and that all maintenance and repairs thereafter shall likewise be subject to approval of the said Parties of the Second Part. The Party of the First Part does further agree that all water meters which may be installed for service to consumers from the said water lines shall be and forever remain the sole and exclusive property of the Parties of the Second Part.

4. The Party of the First Part further agrees and does hereby grant to the Parties of the Second Part, their successors and assigns forever, full access, including but not limited, to the right of entry at any time to the utility rights of ways and private roadways running along and through the said property of the Party of the
