In addition to the foregoing powers expressly enumerated, this association shall have power to do all things reasonably incident to the accomplishment of its express objects and the performance of its express powers. It shall exercise its powers in conformity with all laws of the United States as they now are, or as they may hereafter be amended, and with all rules and regulations which are not in conflict with this charter now or hereafter made thereunder.

4. *Members.* All holders of the association's savings accounts and all borrowers therefrom are members. In the consideration of all questions requiring action by the members of the association, each holder of a savings account shall be permitted to cast one vote for each \$100, or fraction thereof, of the withdrawal value of his account. A borrowing member shall be permitted, as a borrower, to cast one vote, and to cast the number of votes to which he may be

Any number of members present at a regular or special meeting of the members shall constitute a quorum. A majority of all votes cast at any meeting of members shall determine any question. The members who shall be entitled to vote at any meeting of the members shall be those owning savings accounts and borrowing members of record on the books of the association at the end of the calendar month next preceding the date of such meeting. The number of votes which each member shall be entitled to cast at any meeting of the members shall be determined from the books of the association as of the end of the calendar month next preceding the date of such meeting. Those who were members at the end of the calendar month next preceding the date of a meeting of members but who shall have ceased to be members prior to such meeting shall not be entitled to vote thereat. All savings accounts shall be nonassessable.

5. *Directors.* The association shall be under the direction of a board of directors of not less than 5 nor more than 15, as fixed in the association's bylaws or, in the absence of any such bylaw provision, as from time to time expressly determined by resolution of the association's members. Each director of the association shall be a member of the association, and a director shall cease to be a director when he ceases to be a member. Directors of the association shall be elected by its members by ballot: *Provided*, That in the event of a vacancy in the directorate, including vacancies created by an increase in the number of directors, the board of directors may fill such vacancy, if the members of the association fail so to do, by electing a director to serve until the next annual meeting of the members. Directors shall be elected for periods of 3 years and until their successors are elected and qualified, but provision shall be made for the election of approximately one-third of the board of directors each year.

6. *Withdrawals.* The association shall have the right to pay the withdrawal value of its savings accounts at any time upon application therefor and to pay the holders thereof the withdrawal value thereof. Upon receipt of a written request from any holder of a savings account of the association for the withdrawal from such account of all or any part of the withdrawal value thereof, the association shall within 30 days pay the amount requested; *Provided*, That if the association is unable to pay all withdrawals requested at the end of 30 days from the date of such requests, it shall then proceed in the following manner while any withdrawal request remains unpaid for more than 30 days: Withdrawal requests shall be paid in the order received and if any holder of a savings account or accounts has requested the withdrawal of
