ORDER

This matter comes before me upon a verified Petition and a Rule to Show Cause, the subject of which is to appoint a Receiver in the above captioned matter for the Respondent, Uldrick Construction Company, Inc. It appears that the Petition and the Rule to Show Cause were properly served upon the Respondent and were also served on certain other creditors of the Respondent. A hearing was held before me on the 11th day of October, 1966 and after hearing all of the testimony and upon consideration of the verified pleadings, it appears that the Respondent, Uldrick Construction Company, Inc. is insolvent or is in immediate danger of insolvency and that a Receiver should be appointed to preserve the assets for the benefit of all creditors, and that since the main asset of the Respondent consists of an office building located on East North Street in the County of Greenville, State of South Carolina, that it would be more equitable and proper for some competent real estate man to be appointed Receiver in this case.
