This agreement is contingent upon acceptance for treatment of the Phillips effluent into the trunk line of the Greater Greenville Sewer Commission and this agreement is to be in no way construed to include any commitment to or by the Greater Greenville Sewer Commission. Provided, however, if acceptance and treatment of the Phillips effluent by said Sewer Commission is terminated by action of the Sewer Commission, or for any other reason, so that the Phillips effluent is no longer discharged into the City sewer line, then, in such event, any obligation for payment of the service and maintenance charge shall terminate at the same time (subject to pro-rata adjustment to date of termination) and such charge shall be resumed only upon resumption of acceptance and treatment of Phillips effluent by said Sewer Commission.

IN WITNESS WHEREOF, the City of Greenville has caused these presents to be executed by its duly qualified and serving Mayor and City Council, and Phillips Fibers Corporation has
