The grantors herein own the remaining unsold lots in the subdivision known as Terra Pines Estates which is shown on a plat recorded in the RMC Office for Greenville County, S. C., in Plat Book RR, pages 96-97, said grantors anticipate that at some future date they may deem it necessary to install sewer lines in the entire subdivision so as to provide sewer disposal for all lots in Terra Pines Estates through a public or private sewer system. Should such sewer lines be later installed by the grantors, their heirs and assigns, then the grantee herein, her heirs and assigns, by the acceptance of this deed agrees to pay her prorata share of the cost which has been determined to be 2/40 of the total costs of such installation, that is 1/40 for each lot mentioned above, to be paid to the grantors, their heirs and assigns, upon the completion of said sewer systems and prior to the time any connection is made to said line by the grantee. This obligation to pay the prorata share of the costs of the sewer line shall not be construed to be a lien on this property but shall be the personal obligation of the grantee and the personal obligation of any purchaser of the grantee, their heirs and assigns.
