hereinafter called "Grantor" (whether one or more), and DUKE POWER COMPANY, a North Carolina corporation, hereinafter called "Grantee";

WITNESSETH:

That Grantor, in consideration of \$ 10.00 and other valuable considerations, acknowledged, does grant and convey unto Grantee, its successors and assigns, subject to the limitations hereinafter described, the right to erect, construct, reconstruct, replace, maintain and use towers, poles, wires, lines, cables, and all necessary and proper foundations, footings, crossarms and other appliances and fixtures for the purpose of transmitting electric power and for Grantee's communication purposes, together with a right of way, on, along and in all of the hereinafter described tract(s) of land lying and being in Greenville County, South Carolina, and more particularly described as follows:
Being a strip of land 150 feet wide extending 75 feet on the northeasterly side and 75 feet on the southwesterly side of a survey line which has been marked on the ground and is approximately 565.2 feet long and lies across the land of the Grantor (in one or more sections).
