The purpose of this deed is to convey any interest we might have in those streets shown as Whitmire Street and Norwood Street, in as much as said streets are included in the above described property, which streets are shown on a plat of Brandon Subdivision made by H. O. Jones, Architect and Civil Engineer in April 1913 and recorded in the RMC office for Greenville County in Plat Book C, Page 76. The said streets have never been developed or improved and there is no physical evidence of their ever having existed. It is also the purpose of this deed to convey any other interest we may have in the said property.
