

Section 5.2 hereinabove relative to certificates for Shares shall apply so far as applicable to such scrip, except that such scrip may in the discretion of the Trustees be signed by a transfer agent alone.

ARTICLE 6.

Record and Transfer of Shares.

SECTION 6.1. A register shall be kept by or on behalf of the Trustees, under the direction of the Trustees, which shall contain the names and addresses of the Shareholders and the number of Shares held by them respectively and the numbers of the certificates representing such Shares and a record of all transfers thereof. Only Shareholders whose certificates are so recorded shall be entitled to receive dividends or distributions or otherwise to exercise or enjoy the rights of Shareholders. No Shareholder shall be entitled to receive payment of any dividend or distribution, nor to have notice given to him as herein provided, until he has given his address to a transfer agent or such other officer or agent of the Trustees as shall keep the said register for entry thereon.

SECTION 6.2. The Trustees shall have power to employ in the City of Boston, City of New York and/or in any other cities a transfer agent or transfer agents, and/or a registrar or registrars. The transfer agent or transfer agents may keep the said register and record therein the original issues and transfers, if any, of the said Shares and countersign certificates of Shares issued to the persons entitled to the same. Any such transfer agents and registrars shall perform the duties usually performed by transfer agents and registrars of certificates of stock in a corporation, except as modified by the Trustees.

SECTION 6.3. In accordance with the usual custom of corporations having a transfer agent, signed certificates for Shares in blank may be deposited with any transfer agent of this Trust, to be used by the transfer agent in accordance with authority conferred upon it as occasion may require, and in so doing the signers of such certificates shall not be responsible for any loss resulting therefrom.
