

thereof, using the necessary appliances and machinery for such work for the purpose of conveying water through the premises above described, together with the right at all times to enter upon said premises for the purpose of inspecting said line or lines and making necessary repairs and alterations thereon, together with the right to cut away and keep clear of said pipe line or lines all trees and other obstructions that may in any way endanger or interfere with the proper operation of or access to the same.

It is understood and agreed that the right-of-way to be used under this contract is to be in such width and measuring from the center on each side of said pipe line as indicated on the sketch attached hereto and made a part hereof, and the damage, which The City of Greenville, South Carolina, is to be liable for during construction, is to be confined to this strip and nothing beyond. The location of the pipe line or lines, when laid, will determine the definite location of the right-of-way. The center of the pipe line or lines shall be accepted as lying in the position as indicated on the plat attached hereto and made a part hereof. The entire right-of-way may be used for the purpose of installing the pipe line or lines. The location of said pipe line or lines is to be approximately along the line as now located and staked out by the engineers, subject to a variation of not exceeding five (5) feet either way, and no obstruction shall hereafter be placed on said right-of-way.

If in laying the pipe line or lines, it is necessary to cut any timber from the right-of-way, such timber shall be placed at the edge of the right-of-way on the land of the undersigned grantor and shall be the property of the undersigned grantor.
