

center of said pipe line or lines (new thirty-six (36") inch main), in, upon and through the property of W. A. Garrett as shown on a plat prepared by Greenville Water Works, dated October, 1971, which plat is attached and made a part of the Notice of Condemnation.

The location of the center of the said pipe line or lines being the new thirty-six (36") inch main as the same pass through the property of W. A. Garrett, according to said plat, would be as follows:

Entering the Northern boundary line of the property of W. A. Garrett at station 9+72 of the survey of the new pipe line right of way under Contract number 42 at the South boundary of the right of way of State Park Road, and runs through the property of W. A. Garrett in a generally southerly direction approximately three hundred and sixty-five (365') feet to station 13+35 on the northern edge of the right of way of road S-23-527.

The property affected by this right of way and the water line and main, is the same property conveyed to W. A. Garrett by deed of J. S. Garrett, Jr., dated May 25, 1946, recorded in the Greenville County R.M.C. Office in Deed Book 292, at Page 60. Reference being also made to deed recorded in said R.M.C. Office in Deed Book 287, at Page 401,

and to construct and maintain in, upon and through said premises, in a proper manner, a pipe line or lines, air vents, blow off connections, manholes and other necessary apparatus incident thereof, using the necessary appliances and machinery for such work for the purpose of conveying water through the premises above described, together with the right at all times to enter upon said premises for the purpose of inspecting said line or lines and making necessary repairs and alterations thereon, together with the right to cut away and keep clear of said pipe line or lines all trees and other obstructions that may in any way endanger or interfere with the proper operation of or access to the same.

It is understood and agreed that the right of way to be used under this contract is to be thirty (30') feet in width (and lies on the Eastern side and is contiguous to and runs along the fifty (50') foot right of way described in Deed Book 392, Page 197) throughout the entire length which is approximately three hundred and sixty-five (365') feet, more or less, and the damage, which THE CITY OF GREENVILLE, SOUTH CAROLINA, is to be liable for during construction, is to be confined to this strip and nothing beyond. The location of the pipe line or lines, when laid, will determine the definite location of the right of way. The center of the pipe line or lines shall be accepted as lying five (5') feet from the western boundary line of this right of way. The remaining twenty-five (25') feet of said right of way shall lie east of the center of said pipe line or lines and the entire right of way may be used for the purpose of installing the pipe line or lines. The location of said pipe line or lines is to be approximately along the line as now located and staked out by the engineers, subject to a variation of not exceeding five (5') feet either way and no
