

Exhibit A. Duke agrees to provide all labor within the vaults (or manholes) (a) to remove the vault top slabs; (b) to cut new openings; (c) to place the developer furnished shoring and forms and to remove same; and (d) to furnish supervision for the whole of the work. Such supervision and labor will begin after the new access tunnel to the southernmost vault is poured against the existing vault.

3. Upon completion of the relocation of manholes and the construction of new access tunnels as set forth in Paragraph 2 above, Duke agrees not to disturb the existing vaults (or manholes) as modified, or the existing underground power ducts, except for normal maintenance, ~~or~~ cable replacement, ^{or cable additions} within those facilities. Duke further agrees that in the event additional ducts should be required in the future, the same shall be constructed entirely outside the property of Peoples.

4. This agreement shall be binding upon the parties hereto, and their respective successors and assigns.

IN WITNESS WHEREOF, the parties have executed this agreement in duplicate the day and year first above written.
