The following building restrictions or protective covenants are hereby imposed on all Lots shown on plat of Old Mill Estates, prepared by J. Q. Bruce, R. L. S., on March 18, 1964, and recorded in the RMC Office for Greenville County in Plat Book 000 at Page 159, and all numbered lots shown on Plat of Old Mill Estates, section 2, prepared by Piedmont Engineers and Architects, and recorded in the RMC office for Greenville County in Plat Book 4R at Page 22.

These covenants are to run with the land and shall be binding on all persons claiming under them until January 1, 1988, at which time said covenants shall be automatically extended for successive periods of ten years unless by vote of a majority of the then owners of the lots, it is agreed to change said covenants in whole or in part.

If the parties hereto, or any of them, or their heirs or assigns, shall violate or attempt to violate any of the covenants herein, it shall be lawful for any person or persons owning any real property situated in said development or subdivision to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant and either to prevent him or them from so doing or to recover damages or other dues for such violation.

Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions, which shall remain in full force and effect.

1. These lots shall be used solely and exclusively for single-family residential dwellings and shall not be used for commercial or business purposes, provided, however, that nothing herein shall be construed to prevent the owner, that is to say, BTM Corporation, or its successors or assigns, from maintaining temporary offices and storage on any lot while the subdivision is being developed.

2. No building shall be erected, placed or altered on any building plot in this subdivision until the building plans, specifications and plot plan showing the location of such building shall have been approved in writing as to conformity and harmony of external design and materials with existing structures in the subdivision and as to location of the building with respect to topography and finished ground elevation by a committee composed of C. R. Maxwell and T. C. Threatt, or by a representative designated by said committee. In the event of the death or resignation of any member of said committee, the remaining member shall have full authority to approve or disapprove such
