

main easement is shown on the attached drawing SK-1 by Lockwood Greene Engineers, dated April, 1974).

Together with the right to locate, install, construct, repair, maintain, remove or replace any sewer lines or lift station equipment within said rights of way for the below described purposes.

Said rights of way and easements are granted for the purpose of enabling the City of Greenville, South Carolina, (1) to install, construct, maintain, operate, renew, enlarge, replace and repair an underground sewer pipeline or pipelines and lift station within said right of way, together with any and all appurtenances used or useful in connection therewith; (2) to install, construct, operate, maintain, repair and replace any sewer lines or lift stations within said right of way; (3) to exercise the right at any and all times to enter upon said strip of land included in said right of way and easement for any purpose in connection with the installation, construction, maintenance, operation, renewal, enlargement, replacement or repairing of said sewer pipeline or pipelines, service lines, lift station and all other appurtenances in connection therewith, with the right to do any and all necessary excavation, construction, and maintenance work in connection with said installations.

TO HAVE AND TO HOLD all and singular the said rights of way and easements hereby granted to the City of Greenville, South Carolina, their successors and assigns forever, and the grantor does hereby bind the grantor and the grantor's heirs, executors, administrators, successors and assigns to warrant and forever defend all and singular the said premises unto the grantee and the grantee's successors and assigns against the grantor and the grantor's heirs and successors, and against every person whomsoever lawfully claiming or to claim the same or any part thereof.

WITNESS the grantor's hand and seal this 18th day of November, 1974.
