- (d) Other use of offstreet parking or loading spaces prohibited. No offstreet parking or loading area shall be used for the sale, repair, dismantling or servicing of any vehicles, equipment, materials, or supplies. Any area devoted to fulfilling the minimum requirements for loading berths shall not be used for parking spaces or any other purpose.
- (e) Joint parking facilities. The offstreet parking requirements for two or more neighboring uses of the same or different types may be satisfied by the allocation of the required number of spaces for each use in a common parking facility; provided, that the number of offstreet parking spaces is not less than the sum of individual requirements; and provided further, that there be compliance with all other provisions herein.
- (f) Parking and loading areas provided on same lot as main building. When required, offstreet loading for any use shall be located on the same lot as the main building to be served. Offstreet parking spaces for all uses shall be provided on the same lot as the main building to be served or not more than three hundred feet distant, as measured along the nearest pedestrian walkway.
- (g) Requirement for mixed uses. In cases of mixed uses, the minimum number of offstreet parking spaces required shall be the sum of the spaces required for the various individual uses.
- (h) Sharing of parking facilities. Offstreet parking facilities for one use shall not be considered as providing the required facilities for any other use; provided, that one-half of the offstreet parking space required by any use whose peak attendance will be at night or on Sundays, such as churches, theatres and assembly halls, may be assigned to a use which will be closed at night or on Sundays.
- (i) Computing number of employees. For the purposes herein, the number of employees shall be computed on the basis of the average number of persons to be employed,
