COUNTY OF GREENVILLE)

WAIVER

Vol 1016 Page 226

It has come to the attention of the Architect Control Committee provided for in the Restrictive Covenants for Woodcliff Subdivision recorded in the RMC Office for Greenville County in Deed Volume 929 at page 412 that the residence located on Lot 11 in said subdivision violates the set back line as shown on the recorded plat in Plat Book 4N at page 44.

The Architect Control Committee has inspected the subject premises and is of the opinion that the residence located on said premises is substantially in line with the other residences in the Subdivision and that the residence is situated on said lot in such a manner that its location is not a detriment to other residences in the Subdivision.

Because of these reasons and other reasons considered by the Committee the Architect Control Committee pursuant to authority set forth in the Restrictive Covenants for Woodcliff Subdivision and by unanimous vote hereby waives the set back requirements shown in the plat referred to above and approves the location of the residence on Lot 11, Woodcliff Subdivision as it now stands.
