**RULES AND REGULATIONS OF

1. RULES GOVERNING CEMETERY LOT OWNERSHIP. Lots purchased in Graceland Cemetery are conveyed by Warranty Deed to the purchaser for his family and heirs, as a burial place forever.

In order that the Corporation may have a correct record of ownership of all lots where a resale and conveyance is made, it is required that the recorded deed shall be presented at its office so that a record of the transfer can be made. A fee of \$7.00 will be collected before any transfer of ownership is made on the Corporation's records. The Corporation is governed by its own records as to ownership of lots.

Where a lot is purchased and an extension of time is granted by the Corporation for payment, the Corporation retains ownership of the lot until all charges due it are paid, and the Corporation reserves the right to remove the remains which may be interred on the lot, to a smaller lot equal in value to the amount paid on the original, or to a single grave in the event that a default occurs in the agreed payment.

An order in writing is required of the lot owner whenever a grave is to be opened, containing the name, age, sex and residence of the deceased, and a permit from the Board of Health must be shown the Superintendent of the grounds before interment is made. If interment is to be made in the forenoon, application must be made before 2 o'clock p. m. on the previous day. If in the afternoon, by 9 o'clock a. m. on the same day.

Lot owners shall at once notify the Corporation of any change in his or her post office address or name. No disinterment shall be allowed except upon order of the Executive Officers of the Corporation, and upon the written order of the owner or owners of the lot, and in every case can only be made under the supervision of the Superintendent.

The Corporation shall have the right at all times to enter upon each and every lot for the purpose of maintaining, cleaning, and policing it.

The Corporation from time to time may lay out or alter such avenues or walks, or make such rules and regulations for the government of the grounds as it may deem requisite or proper to promote the general objects of the cemetery.

No consent or approval of the Corporation shall be valid or binding unless the same shall be in writing over the signature of an Executive officer.

No lot owner shall have the right to have shrubs and plants cultivated in any portion of the lot, except upon consent of the Corporation. In the event permission is granted, all work to be done under the direction of the Superintendent and to be paid for in cash before work is done. If any shrubs, plants or trees situated in any lot shall become detrimental to adjacent lots or avenues or shall become inconvenient, or interfere with the proper care of the cemetery, the Corporation, by its authorized representatives or employees, shall have the right to enter the said lot and remove the said trees or shrubs or such parts thereof as they shall determine to be detrimental, unightly, or inconvenient. No owner shall be permitted

The roadways, and walks which are the property of the Corporation are to be used as means of ingress and egress in and to the lots and visitors and lot owners are to use no other means of ingress or egress.

Vehicles are not to turn around upon any of the roads, but should follow one of the circular driveways to their objective. They shall keep on the right and when they stop shall be at least six inches from the lawn.

4. RULES GOVERNING MONUMENTS AND PLANTATIONS. Vaults shall be built only in that part of the cemetery designated for same by the Corporation and only upon the determination from the duly authorized officers of the Corporation. The said vaults must be furnished with shelves having divisions allowing increments to be separately inserted and actually sealed, and all monuments and all parts above ground shall be of marble, granite, or other stone. The Corporation shall have the right to be held by the Corporation, and under the supervision of the Superintendent, and completed as rapidly as possible. No foundation shall be laid until the cost of same has been paid for in cash.

No monument is to be placed until the lot has been fully paid for and only after an exact diagram has been submitted to the office of the Corporation for approval.

Individual markers will be placed at each end of the lot and family memorials will be placed in the space provided therefor as shown on detail plan of the cemetery lots.

No family memorial can be erected unless the lot owner has monument privileges.

No mounds will be allowed in the cemetery.
