

of cultivation that they were prior to the entrance. Further, should it be necessary to enter when standing crops are in the field, remuneration will be made for the destruction of those crops.

It is further understood that this right-of-way is being granted to allow a relocation of the main distribution line; and when it is established, the Laurens Electric Cooperative, Inc., will abandon the present right-of-way occupied by the old distribution line and will drop all poles in the former right-of-way to the ground, removing such as they wish to remove, with any remaining poles abandoned becoming the property of Pleasant Pastures Farm.

The undersigned covenant that they are the owners of the above-described lands and that the said lands are free and clear of encumbrances and liens of whatsoever character except those held by the following persons:

IN WITNESS WHEREOF, the undersigned have set their hands and seals this

27th day of January, 1977.
